

Welcome to the Stop It Before It Starts Art Competition

#stopitbeforeitstarts

This Art Competition will run over 10 months to promote intervening acts of kindness that reduce or prevent violence in our homes and communities of any kind.

Your participation is incredibly important, and we want to work with you to support your creative future. Your IP will remain yours, but we will hold a licence to continue to showcase your amazing work and promote our campaign goal. We know that violence prevention starts with all of us. You can show us all how it's done.

Together we will promote everyday humble acts of kindness that make real differences to how we work, live, and get along with each other, our pets and our natural world.

The only thing that is off-limits is the description or depiction of violence itself.

Be clever about what you need to say and the way you say it. Violence prevention promotes hope and kindness. Your task is to turn the narrative to what is possible.

How to enter:

- a) Review the stimulus material on www.violencepreventionaustralia.com/projects
- b) Create an original artwork (e.g., photo, video, painting, animation, written text, etc.) that depicts any type of intervention to prevent an act of, or escalation of an act of violence.
- c) There is no creative limit to the setting (i.e. workplace, home, public area) or type of violence you prevent (i.e. domestic or intimate partner, sexual financial abuse, coercive control).
- d) Texts or images will depict interventions or strategies to de-escalate any of the 6 factors of violence (i.e. frustration, desperation, prejudice, trigger, place, or isolation) to improve the health and wellbeing of people/s, animals, or others. Use the C-10 model provided for ideas.
